

## TSCA Conformity Declaration

according to the directive of  
The United States Environmental Protection Agency (EPA)

Hereby we declare and confirm that all our products which are listed in our product catalogue comply with the final rules of the Toxic Substances Control Act (TSCA) Section 6 (h) on 6 January 2021 and the amendments in Section 8 (a) of 11 October 2023. The following substances are not contained above the stated concentration:

Our suppliers are required to report the use of restricted or reportable substances in accordance with the U.S. Toxic Substances Control Act. Based on this supplier's information, we can confirm that no restricted or reportable substances are contained in the products supplied and are therefore not further processed by us.

However, this letter does not represent a legally valid statement. The inspection is carried out exclusively based on information provided by suppliers. We ourselves do not carry out any chemical analyses to determine the substances.

This declaration is made on behalf of
