

Manufacturer's Declaration regarding  
EU POP Regulation  
Regulation (EU) 2019/1021

Hereby we declare that all products manufactured and placed on the market by our company do not contain any substances listed in the current version of Regulation (EU) 2019/1021 of the European Parliament and of the Council of 20 June 2019 on persistent organic pollutants (POP Regulation), Annex I and Annex II.

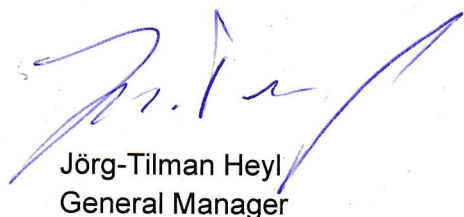

Our products are developed, manufactured, and tested in accordance with applicable legal requirements. As part of our due diligence, we continuously monitor compliance with the relevant substance prohibitions and restrictions of the POP Regulation and ensure that none of the affected substances are present in our products.

This declaration is made to the best of our knowledge and belief, based on the information available to us and the statements of our suppliers.

This declaration is made on behalf of
